

Where to work in aging services

Adult Day Services

These programs provide services, activities, and supervision for less than 24 hours for older Ohioans.

Job Titles: Social workers, STNA, RN, LPN, Maintenance, Office Manager, Marketing and Communications, Culinary Services

Assisted Living

Assisted living provides a residence for older Americans who need assistance. Services provided include nursing care, housekeeping, and prepared meals.

Job Titles: Social workers, STNA, RN, LPN, Maintenance, Culinary Services, Office Manager, Environmental Services, IT, HR, Marketing and Communications

Hospice

Hospice is for individuals facing end-of-life because curative measures are no longer effective. Care shifts to compassionate symptom management.

Job titles: Social workers, STNA, RN, Pastoral Care, LPN

Home Care

Home care allows individuals who need assistance to remain in their homes.

Job Title: Social workers, STNA, RN, LPN, Office Manager, Marketing and Communications, Home Health Aide, Environmental Services

Skilled Nursing/Long-term Care

Residents at a skilled nursing facility receive a high level of care similar to what is received in a hospital setting. Some residents come for a temporary stay after a hospital visit, while others are longer-term if a higher level of care is necessary.

Job Titles: Social Workers, STNA, RN, Pastoral Care, LPN, Maintenance, Culinary Services, Office Manager, Environmental Services, IT, HR, Admissions, Marketing and Communications

Senior Housing

Independent living specifically for older Americans.

Job Titles: Social workers, STNA, RN, LPN, Maintenance, Environmental Services, Culinary Services, Office Manager, IT, HR, Marketing and Communications
