Dear Friends,

Mission and values are the part of Jennings' foundation that makes us steadfast in our ministry to older adults. Through many policy and process changes in health care, and through our growing services and service areas, our mission and values have acted as a persevering guide.

At Jennings, we know that our quality care and the satisfaction of those we serve is closely tied to workplace culture. We are proud that everyone on the Jennings campus takes pride in the principles of our mission and values. Jennings' mission and values are more than just a statement or a piece of paper—they are a living and interactive part of everyday life.

Our Catholic "business," together with the Sisters of the Holy Spirit thrives through the adherence to time-honored teachings about the sanctity of human life and the dignity of the human person, as well as our pastoral, spiritual, and social responsibilities in both the Jennings campus and the larger community. For more than 70 years we have been able to grow and serve, all honoring the legacy of Monsignor Jennings and serving the ministry of the Sisters of the Holy Spirit.

As an organization, Jennings has been blessed with the time, talent and treasure of generous benefactors and supporters, who have believed in our mission, share our values, and engage in our commitment to serve older adults with limited means. We stand on the shoulders of this support and the work of those before us and look to a future that supports all individuals with respect for their age, where they choose to live and how they can continue to be successful.

Sincerely,

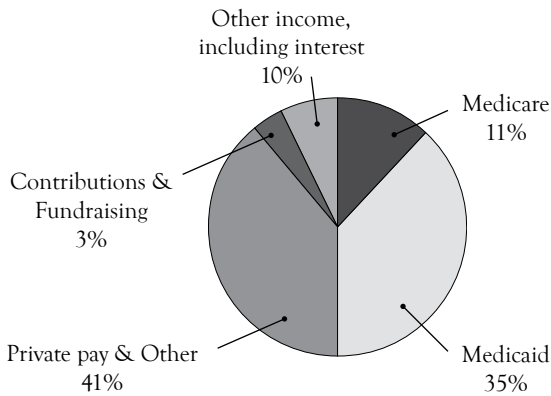

Martha M. Kutik

2013 Community Benefit

Since 1942 Jennings Center for Older Adults has been a leader in services for older adults and families in Northeast Ohio. It is our privilege to provide quality residences and services for adults of all faiths throughout a broad continuum of care. Our Catholic mission—and our values of respect, hospitality, community, discovery of potential and celebration of life—reach beyond the philosophy of everyday care into organizational strategies and goals.

Complementing our Catholic identity, Jennings is a charitable, not-for-profit, tax-exempt organization. While serving some of the most frail citizens, we measure success through benchmarks that directly impact those we serve, our value to the community beyond our campus and our activity on local, state and national levels. The social profit of our contributions significantly impacts the quality of life for older adults, children and families that we serve by delivering quality care, identifying opportunities for the community, creating choices for successful aging, and developing a strong workforce.

Guided by mission and values we remain consistent with the desires of our forward-thinking namesake, Monsignor Gilbert P. Jennings. We are positive agents of change, ensuring life as it should be through care for those with limited means, education and advocacy, convening and collaborating, innovation and community engagement.

UNREIMBURSED CARE

Jennings has a tangible financial impact in Northeast Ohio, through rate-restricted services and unreimbursed charitable care. Consistent with our mission, Jennings ensures that dignity and quality care are available to those whose limited means would otherwise provide them with fewer choices.

Total cost of unreimbursed care at Jennings in 2013 = \$2,606,216

- Unreimbursed long-term care = \$2,545,374
- Unreimbursed assisted living = \$27,457
- Assisted living charity care = \$33,385

Rate-restricted services

- Affordable Housing: Four affordable apartments for adults over age 55 providing a safe and supportive home, with below market rate rents, for more than 200 individuals with low to moderate income. Jennings offers campus services, such as personal care and collaboration with associate providers, to help individuals continue to live successfully with independence.
- Community-based Support: Jennings' adult day services and child care serve the community at large while they attend to personal and work responsibilities. These

services are partially funded by programs such as PASSPORT, OPTIONS, Cuyahoga County Board of Disabilities, Alzheimer's Respite Grant, and the county voucher program and often do not cover the total cost of the care provided.
