Dear Friends,

Throughout our organization’s history, one thing has been consistent: positive change. We are consistently – and constantly - changing to meet the growing needs of older adults. We are proud of this legacy, one in which change happens through collaboration, planning and learning from those who come before us. The succession planning of some of our executive team in 2014 is an example. In our history Jennings has only had seven individuals leading the organization, and only two have been laypersons. We are fortunate to have had strong leaders at the helm to consistently steer Jennings in a forward-thinking way, beginning with the Sisters of the Holy Spirit. To say that we stand on the shoulders that come before us describes the foundation and strength of those Sisters to take on this ministry and build it and gather those who shared their passion and faith to arrive here today.

We continue the mission as our namesake, Monsignor Gilbert Jennings, who believed that older adults should be enabled to live in a “comfortable atmosphere that they deserve but otherwise could not enjoy”. We continue to progress his vision of a home for older adults and align it with the expectations of those we serve. We embrace the desire to be at home, whether an individual lives on the Jennings campus or receives support to remain in the community. We believe home is a place where you can be yourself. Where people care for you…and about you. Home is where you gather around the table for a meal, celebrate with family and friends, laugh, cry and pray.

The Sisters of the Holy Spirit, Jennings staff and board of directors are committed to providing individuals with their idea of home, one that celebrates their traditions and offers compassionate service in a desirable setting. We remain grateful for our generous supporters and benefactors who take part in growing this ministry.

Sincerely,

Allison Q. Salopeck
President and CEO

Home
By Jean A. Chambers
Tenant at Jennings Center for Older Adults

Home is where the heart is—
It is many things to many people
Home is as unique as we are.
A reality unto itself

Home is where Love, Peace, Joy,
Are shared with one another.

Home is where Family and Friends
Come together in good times.
And in bad.

A place of many things...
There is solitude...
A Respite from the world

Home is Where I Can Be Me
It is a Place My Heart and
The Person I am
Can Be Found.

God Bless My Home

2014 Community Benefit

Our Catholic “business” thrives through the adherence to time-honored teachings about dignity of the human person, as well as our pastoral, spiritual, and social responsibilities in both the Jennings and the larger community. As a Catholic healthcare ministry since 1942, Jennings Center for Older Adults has continually evolved in championing services for older adults and their families in Northeast Ohio. Our quality residences and services support adults of all faiths throughout a broad and changing continuum of care. Our philosophy of care, organizational strategies and daily operations uphold our Catholic mission and our values of respect, hospitality, community, discovery of potential and celebration of life.

Jennings is a charitable, not-for-profit, tax-exempt organization seeking to contribute to the common good, and exercises responsible stewardship of available resources. Communities need stability and continuity of services, in good economic times or bad. With a focus on serving some of the most frail individuals, we also measure part of our success through benchmarks that directly impact the community.

Monsignor Gilbert P. Jennings, our community-minded namesake, inspires Jennings to remain forward-thinking as individuals drive new choices to support successful aging. Guided by our mission and values, we remain flexible as we continue to address emerging trends and issues through education and advocacy, convening and collaborating, innovation and community engagement.

UNREIMBURSED CARE

Jennings has a tangible financial impact in Northeast Ohio, through rate-restricted services and unreimbursed charitable care. Consistent with our mission, Jennings ensures that dignity and quality care are available to those whose limited means would otherwise provide them with fewer choices.

Total cost of unreimbursed care at Jennings in 2014 = $2,607,815

- Unreimbursed long-term care = $2,548,516
- Unreimbursed assisted living = $24,367
- Assisted living charity care = $34,932

Rate-restricted services

- Affordable Housing: Four affordable apartment buildings for adults over age 55 provide a safe and supportive home, with below market rate rents, for more than 200 individuals with low to moderate income. Jennings offers campus services, such as personal care and collaboration with associate providers, to help individuals continue to live successfully with independence.
• Community-based Support: Jennings’ adult day services and child care support the community at large while family members and caregivers attend to personal and work responsibilities. These services are partially funded by programs such as PASSPORT, OPTIONS, Cuyahoga County Board of Disabilities, Alzheimer’s Respite Grant, and the county voucher program and often do not cover the total cost of the care provided.
