Dear Friends,

For decades, the demand for residences and services has continued to evolve. People make important personal decisions about where they want to live and how they wish to live. In our later years, with the same hope of our early years, it comes down to finding the right community.

Our founder, Monsignor Gilbert Jennings, had a reputation for understanding and building community. As a Catholic, non-profit organization we are both proud and confident as we continue to build community in his honor. Connections with neighbors, choices in everyday life, celebrations of events and faith practices are important cornerstones of dignity for every person’s life. Innovation, architectural structures and technology complement these connections so physical changes don’t need to interfere with enjoying community in our later years. Leading with compassion, Jennings’ values breathe life into the spirit of our community.

As a leader in serving adults, Jennings enjoys the opportunity to build community beyond our walls. We prioritize relationships with colleagues and thought leaders to work creatively in solving challenges for individuals. We engage local, state and national legislators to collectively understand and plan transformative services to deliver the care people deserve. We impact the region by focusing on values, training staff, mentoring students, strengthening work/life skills and collaborating with organizations to ensure the success of Northeast Ohio’s health care workforce. As a result, we strengthen our organization and our ability to serve.

We are most grateful to our benefactors, for your dedication to Jennings and your generosity. Every donation to Jennings means that our services to older adults will be filled with our values with that much more creativity, more innovation, more availability to serve those who cannot pay and much more as we continue to build community.

Sincerely,

Allison Q. Salopeck
President and CEO

2019 COMMUNITY BENEFIT

Our mission and values call for us to treat each individual with respect and compassion. We value each unique person, from those living independently to the most frail, while also extending our hearts to the community. In the spirit of Monsignor Gilbert P. Jennings, known to be a forward-thinking “man of the people,” and the Sisters of the Holy Spirit who made his dream a reality, we continue our person-centered philosophies and innovative practices. Jennings cares for the dignity of each person, and as a charitable, not-for-profit organization we practice good stewardship of resources and talent.

VOLUNTEER STATISTICS

The compassionate hearts and hands of volunteers enrich life at Jennings. Assisting a resident to her beauty shop appointment. Praying with someone during his final journey. Dancing and singing a lively performance. Planting and spring cleaning the gardens. The generosity of volunteers --- students, adults, volunteer groups, and corporate volunteer days ---are a blessing to us.

In 2019, Jennings hosted:
- 789 volunteers (adults and students)
- 23,614 volunteer hours (equivalent to 11 full-time staff members)

UNREIMBURSED CARE

Through a continuum of care, Jennings is able to provide quality care with dignity not only for individuals with financial ability but also those whose limited means would otherwise provide them with fewer choices. Jennings’ rate-restricted services and unreimbursed charitable care substantially impacts Northeast Ohio families:

Total cost of unreimbursed care at Jennings in 2019 = $3,240,531
- Unreimbursed long-term care = $3,169,917
- Unreimbursed assisted living = $70,614

Rate-restricted services
- Affordable Housing: Jennings offers more than 200 apartments in two locations that provide residences for individuals with low to moderate income so they can continue to live successfully with independence and with services.
- Community-based Support: Jennings’ adult day services and child care are a critical support for family members and caregivers in the community. They know their loved ones receive quality care while they attend to personal and work responsibilities. These services are partially funded by community programs and often do not cover the total cost of the care provided.
EDUCATION AND ADVOCACY

- Participated in professional education panels to engage colleagues in holistic models of care such as the small house philosophy.
- Advocated actively in local, state and national activities for older adults and positively affect changes in services to support successful aging.
- Hosted legislators and administrators for educational visits at Jennings as well as visited them in Columbus, Ohio and Washington, D.C. to advocate on behalf of the needs of older Ohioans.
- Served as preceptors and guest lecturer for students from Kent State University, Cleveland State University Graduate Program, Baldwin Wallace University and The Ohio Board of Long-term Services and Supports pursuing a career in long-term care administration.
- Engaged students with opportunities to earn service hours.
- Hosted local students through internship programs, job shadowing, practicum and mentorship opportunities, including Cuyahoga Valley Career Center, Trinity High School, Garfield Heights City Schools and Maple Heights City Schools.
- Hosted a clinical setting for undergraduate training, mentored students and provided internships in nursing and other disciplines (accounting, dietitian, physical therapy, social work, IT, dining services) from several local and out-of-state colleges.

CONVENING AND COLLABORATING

- Participated in membership and best practice sharing at the local, state and national levels: Eldercare Committee of Catholic Health Association (CHA) and CHA Mission Leader Group, LeadingAge Ohio, Ohio Aging Services Network (OASN), chambers of commerce, LeadingAge, Northeast Ohio Association of Activity Professionals, Kiwanis, Suburban Southeast District Parish Cluster, Association of Fundraising Professionals, local aging network groups and community education groups.
- Partnered with area educational organizations to solve health care workforce challenges.
- Engaged with interfaith organizations.
INNOVATION
• Connected with and evaluated new products and technologies in collaboration with LeadingAge Center for Aging Services Technologies.
• Collaborated with other health care technology professionals to plan for integrated health care delivery among varying hospitals and health care systems.
• Initiated intergenerational opportunities with elementary school through college age students that offer older adults mentorship opportunities through musical theater, arts and service.
• Implemented and trained college students, and contributed to research, of dementia and art on dementia-based art formation of Opening Minds through Art (OMA).
• Promoted and participated in a comprehensive departmental and individual recycling program, and provided site for community paper recycling.

COMMUNITY ENGAGEMENT
• Hosted daily Catholic Mass and Rosary as well as Bible study, spiritual dialogues and religious events.
• Coordinated, displayed and hosted the LeadingAge Ohio Regional Art and Writing Exhibition to celebrate the creative talents of adults 55+ throughout Northeast Ohio.
• Welcomed community members for spiritual programs through the James D. and Joan M. Clark Fund for Resident Spiritual Support.
• Hosted intergenerational programs for area students in grades K-12 (including Garfield Heights City Schools, Trinity High School, Maple Heights City Schools, Laurel School, Chardon Schools, Notre Dame Schools, Notre Dame Cathedral Latin High School).
• Provided community health education with free speakers bureau, exercise opportunities and arts/culture programs through approximately 80 free events.
• Educated community adults and caregivers through health fairs and community talks and supported individuals in the community with education about the types of services throughout a continuum of care.
The Holy Spirit Heritage Society at Jennings is a simple, yet lasting way to support Jennings’ mission for years to come. Just as the campus began with Monsignor Jennings’ estate gift, planned or deferred gifts can help individuals achieve financial goals, minimize taxes and probate expenses, and create a personal legacy at Jennings. The Holy Spirit Heritage Society is a comprehensive planned giving program beneficial to both the donor and Jennings.
