People say they feel something special when they first walk through the front door at Jennings. They can't quite put their finger on it. We often hear, "you can just feel it."

**IT** is what makes the older adults we serve feel respected. **IT** is what makes families and visitors feel welcome. **IT** is what inspires staff members and volunteers to remain committed to our mission and embrace our Catholic values.

Jennings offers a full continuum of care across five locations and with services for individuals living in the community at large. With more than 80 years of experience, we nurture the mind, body and spirit of adults with a focus on holistic wellness. Bringing together the traditions of neighborhood and home, Jennings offers the opportunity to enjoy the everyday elements of community life while providing the extra support a person might need.

### Our Mission

Rooted in Catholic values, Jennings celebrates and nurtures individuals as they age, through exceptional choices and continuous innovation.

We commit ourselves to our mission through Respect, Compassion, Community, Discovery of Potential and Celebration of Life.

### Life as IT should be

Life happens here. We think the mature years should be defined by choices and possibilities. Respecting and celebrating life, complemented with support and encouragement, provides for an atmosphere everyone deserves to enjoy.

Jennings staff, family members and volunteers make IT happen every day, fulfilling the ministry of our founders - the Sisters of the Holy Spirit. Providing choices in residences, services and support with compassion, we help individuals to continue writing their own stories.

Quality. Respect. Choice. Though times have changed in our history, our commitment remains the same. We continue to progress our founders' vision of a home for older adults and align it with the expectations of those we serve.

We embrace the desire to be at home, whether an individual lives on the Jennings campus or receives support to remain in the community. We believe home is a place where you can be yourself. Where people care for you...and about you. Home is where you gather around the table for a meal, celebrate with family and friends, laugh, cry and pray.
