Out-of-network providers are under no obligation to treat Perennial Advantage members, except in emergency situations. Coverage rules for in-network and out-of-network providers vary by plan. Please call our customer service number or refer to your plan's Evidence of Coverage for details. **The benefits mentioned are part of Special Supplemental Benefits for the Chronically Ill (SSBCI). Not all members qualify. To be eligible, a member must have a qualifying chronic condition, be determined by the plan and a healthcare provider to be at high risk for hospitalization or other adverse health outcomes, and require a high level of care coordination. Even if a member has a qualifying chronic condition, they may not receive these benefits. Coverage depends on the plan's specific eligibility criteria and clinical determination.
